

CORONAVIRUS UPDATE

In view of Government guidance regarding Coronavirus, the Clifton Campville Village Hall Management Committee have taken the difficult decision to suspend all activities in the village for the foreseeable future. This includes, the Coffee Shop, Exercise Class, Craft Club, the coach trip to RHS Malvern Flower Show and our beloved annual Country Fair. Sadly, we will also not be going ahead with plans for an opening ceremony for the refurbished Village Hall.

We wish all our villagers the best in these unprecedented times and would urge everyone to follow the formal advice given by the government and the health service. We will advise you when we are able to continue with normal activities.

Thank you.
