

CORONAVIRUS UPDATE
ANNOUNCEMENT BY CLIFTON CAMPVILLE
VILLAGE HALL COMMITTEE

In view of latest Government lockdown restrictions, the Clifton Campville Village Hall Management Committee has taken the difficult decision to suspend **all** its activities, until further notice. This is with immediate effect.

This includes the Phase 2 reopening: Chair-Based Exercise Class, Kids Karate and Art & Craft Club. Sadly, this also means we will also not be going ahead with plans for the Phase 3 opening ceremony of the refurbished Village Hall, nor the Community Coffee Shop.

We would like to wish all villagers the very best in these unprecedented times - and would urge everyone to follow the advice given by the government and the health service.

REMEMBER - STAY SAFE: "HANDS - FACE - SPACE"

We will advise as soon as we are able to resume normal activities.
