

Lichfield district council have opened their consultation process seeking opinion on where new development will go in the district. The idea of a new large village at Thorpe Constantine has been put forward for discussion. There are no details other than a general location at this stage. The Parish Council will be responding to this document as we do not believe Thorpe Constantine is the best place for large scale development however it is important your views are registered and

Local Plan looking to the future

Everyone is invited to give their views as part of Lichfield District Council's Local Plan Review from 30 April to 11 June.
