

The Village Hall is partly reopen

Phase 1 has seen the building open only for **pre-booked meetings** and **seated gatherings of up to 12 persons maximum** (a number decided as a sensible figure to socially distance safely) and where there is a **definitive start and end time**.

With that sentiment in mind, the Village Hall Trustees decided to start “Dipping a Toe in the Water” for small meetings and restarting the weekly Art & Craft club in October. In November, for **Phase 2** new classes will be introduced to the hall - ‘Kids Karate’ and ‘Love to Move’ chair-based exercise.

Discussions to assess the feasibility of reopening the Coffee Shop in **Phase 3** are still ongoing. However, please note this will be dependent upon a successful Phase 1 & 2 (ie: seeing how the meetings, Craft Club and other groups go) and subject to Government Cafe and Restaurant guidelines. So, please, rest assured, we will continue to monitor the situation closely and endeavour to reopen our beloved Coffee Shop, within the guidelines, as soon as it is safe (“Covid Secure”) to do so.

Unfortunately, we are still not able to accept bookings for social events or family parties.
